Hi (b)(6)

Unfortunately, you cannot put the US Attorney's name on the website until the ethics check is complete. The ethics check will probably take a couple of weeks because of the current government shutdown. Now, to begin the ethics check, can you please fill out the attached form? Can you also send me some example of publicity for any prior Human Rights Summits?

I also just wanted to clarify with you (and (b)(6) may have done this already) that Human Rights First would have to pay for the US Attorney's travel and lodging because of current budget restraints.

I will get back to you about times on December 5th.

Thanks!

Are we OK putting his name on the website?

No worries! Yes, I was working with (b)(6) on identifying a time that works well for the U.S. Attorney's schedule.

Great, thank you! To follow up, are you waiting to hear from us what times on December 5th work best or has that already been covered? Again, please excuse any redundant questions.

Hi (b)(6)

We're working on the schedule for (b)(6) Director of the Center for Investigative Reporting. I'm waiting to confirm him until we know the time of the panel which is based on when our speakers are available. I believe the U.S. Attorney's schedule to be the most demanding of our confirmed speakers, so I've been holding off on deciding on the time until I heard back from your office.

Thanks so much!

Hi (b)(6)

Quick question. You probably already told (b)(6) but who is the panel moderator?

Thanks!

Hi (b)(6)

I am taking over this matter for (b)(6) who no longer works for the US Attorney's Office. I wanted to let you know that Preet would like to participate pending the ethics approval. I am copying here (b)(6) who will take care of the ethics approval. We will coordinate with you on the ethics check and any further details.

Thanks,

(b)(6)

I hope this email finds you well. I am following on the below invitation from Ms. (b)(6). Our many apologies for the delay on this end. The summit sounds like a fantastic event. We are currently working out the U.S. Attorney's schedule and availability but, in the meantime, could you clarify for us what time the panel is and who else is on it? Thank you very much for your assistance.

Best regards

ne so long to follow up

I promised to send you a letter that you could use to approach Preet about speaking at our Summit in December. See attached.

Preet's participation would raise the profile of the panel—and this issue—considerably. He could talk about whatever angle of this he feels most comfortable—the challenges in these kinds of prosecutions, any gaps in the law that make it harder, what we've learned from the prosecutions so far, etc. People would be very interested in whatever he had to say.

The inaugural Summit last year was a huge success. We set the bar high for this year. You can see details from last year [here](#).

Let me know if you need anything else from me to raise this with Preet. Thanks so much for your help.

Best,

(b)(6)
